

BECOME A GUARDIAN ANGEL TODAY

Hanna's Guardian Angels are a special group of individuals who show their commitment to Hanna by making a monthly contribution.

Hanna Boys Center

SINCE 1945

Monthly gifts offer many benefits, including convenience, and the ability to make a larger impact through smaller donations spread throughout the year. Spreading donations over time is easier on your budget and ensures ongoing and reliable revenue for Hanna.

When you choose to become a Hanna Guardian Angel, you will receive a copy of our quarterly newsletter, to keep you up to date on everything going on with our campus. In addition, each month you will receive one of twelve Hanna Boy trading cards, which are available **ONLY** to Guardian Angels. Each card highlights one of our scholars as they show their appreciation for your faith in their future.

Your gifts will be charged automatically to your credit card on or around the 25th of each month. At the end of the year, you will receive a consolidated receipt for tax purposes.
